1. GENERAL PERFORMANCE

All Work of the Subcontractor will be performed in a good and workmanlike manner in accordance with the plans and specifications for each job and must comply with all Federal and State laws, codes and regulations and all county and/or municipal ordinances and regulations effective where the work is to be performed under this contract. All permits, fees, taxes, and expenses connected with such compliance are to be paid by the Subcontractor.

2. INDEPENDENT CONTRACTOR

The Builder and Subcontractor agree that the Subcontractor is being hired solely as an Independent Contractor and that neither the Subcontractor, nor his employees shall be deemed to be employees of the Builder.

3. TIME

The Subcontractor agrees to promptly begin work as soon as notified by the Builder, and to complete the work in a professional and workmanlike manner within a reasonable period of time once work is commenced and in any event by the deadlines established by the Builder in writing. Subcontractor shall cooperate with other trades who are also on the jobsite so that each reasonably may complete their respective work within the required time frames and Subcontractor shall in any event complete Subcontractor's work within a time that will allow any other trade whose work depends on the completion of Subcontractor's work to also timely complete its work. At all times, Subcontractor shall provide competent supervision, a sufficient number of skilled workers and adequate and proper materials to maintain Builder's work schedule. Subcontractor warrants to Builder that he has all proper and necessary licenses and permits to perform the services contracted for by Builder. If Builder reasonably believes that Subcontractor will or has caused a claim to be made or a lien to be filed against Builder's Property, Builder may retain any and all monies due Subcontractor and make such payment to Subcontractor and claimant jointly. The obligation of the Subcontractor to indemnify and hold the Builder harmless shall not be enforceable if and only if it be determined by arbitration of judicial proceeding that the injury, death or damages complained of was attributable solely to the fault or negligence of the Builder or his officers, agents, or employees and not in any manner or in any part attributable to the Subcontractor. The Subcontractor agrees to reimburse the Builder for all sums, which the Builder may pay or be compelled to pay in settlement of any claim hereunder, including any claim under the provisions of any workmen's compensation law or any plan for employees' benefits which the Builder may adopt. If any lien or other encumbrance or any claim of the nonpayment of labor, materials or supplies furnished to Subcontractor is asserted, claimed or filed against Builder's property arising out of the contract or said work hereunder, notwithstanding the furnishing of said lien waivers or sworn statements by Subcontractor on the making of any said payments to Subcontractor, the Subcontractor shall protect, indemnify, hold harmless and defend the Builder, and its successors and assigns, from and against all such liens and encumbrances and all costs, fee, loss, damage and expenses (including, but not limit to attorneys fees and litigation expenses) in connection therewith. Any such assertion or claim may be treated by Builder as default of the contract and Builder on behalf of itself may take action as it deems necessary to mitigate its damages and charge the cost and expense thereof to Subcontractor.

8. CLEAN-UP

Subcontractor agrees to clean up all debris, trash, and refuse generated by his own trade at the end of each day and deposit into trash bin provided by Builder, and shall clean all walls, floors and other finished surfaces soiled as a result of his trade. The subcontractor should report the Builder if the job has not been cleaned within acceptable practices by the prior Subcontractor.

9. DEFAULT

If Subcontractor shall default in the performance of any of his duties or obligations hereunder, and such default shall continue after verbal or written notice, Builder may immediately terminate this Agreement.
